

## Fairmont Police Department Patrol Sergeants

The sergeants are uniformed patrol supervisors who are responsible overseeing the daily activities of the Fairmont Police Department. The sergeants are responsible for the direction, assistance, and development of the members of the Fairmont Police Department to insure the quality of service that is provided to the citizens of our community. Sergeants will review and insure that the proper reports and follow up investigation is completed on calls for service. Sergeants will respond to major calls or incidents and coordinate resolution efforts with other officers or agencies. In the absence of the chief or lieutenant, the on-duty sergeant is responsible for the operations of the department.
